Course Authorization Form for Neurobiology Major Credit in Directed Study, Senior/Honors Thesis

This form is for Directed Study (699) Honors Thesis (681, 682) and Senior Thesis (691, 692) to fulfill credit in the Neurobiology Major. Please fill out this form and have your faculty mentor sign it for authorization. Return the completed form to B156 or an e-mail from the faculty mentor may be accepted in lieu of a signature. Graduate students or postdoctoral researchers overseeing research must have the faculty member they are affiliated with sign this form.

**SUBMISSION OF THIS FORM DOES NOT MEAN YOU ARE ENROLLED IN THE COURSE.** You must enroll through your Student Center, using the section number that will be provided to you via email.
